# MESSAGE FROM THE PRINCIPAL

The Hapnot School Staff, as well as myself, wish to extend congratulations to the graduates, who this year completed Grade Twelve. We realize a lot of hard work, personal sacrifice, and self-discipline have brought you to the point you have reached today. But nothing great or good is ever accomplished save at the cost of sacrifice and self abnegation, and in retrospect, perhaps you will realize that the happiest times were not always at some social event, but occasionally when you lost yourself in some creative task at school.

We would urge you to continue your education at the University level. The trend today is for a greater degree of education. Industry today selects students with an eye to their education attainments. As a result we find graduates of engineering taking an additional course in business administration; arts or science graduates taking a Bachelor or Master of Education; or a doctor or nurse seeking further specialized study at the completion of their course.

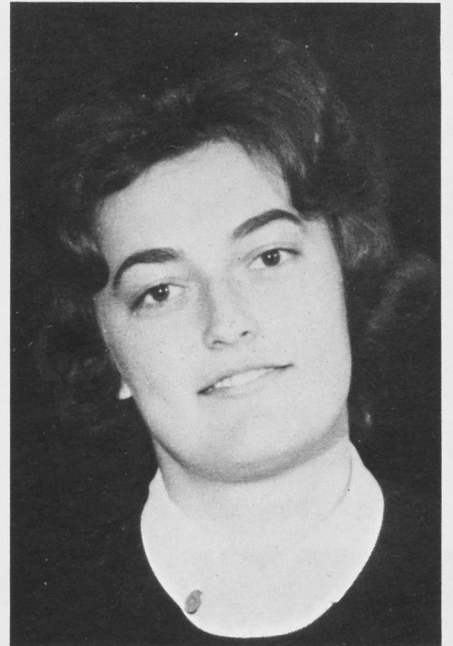

Education is important, but individuals as well as nations today are judged not only by their achievements in the field of scientific research and accomplishment but by the character of their people and their public men. We are respected for our ideals and the measure in which we achieve them. Truth, reason, and freedom must be upheld by individuals and nations if civilization is to endure. John Galsworthy said, "The old order changeth, - yea, but we ought to be able to preserve beauty and dignity and the sense of service and manners - things that have come very slowly, and can be made to vanish very fast if we are not set on preserving them somehow."

So the best wishes go with you into this world of turmoil and work. Some of you are gifted in the field of science; some in the realm of business; some in the realm of art or music; and some in the realm of ideas and literature. Give it your best effort. Carlyle once said this was the great law of culture; "Let each become all that he was created capable of being, expand, if possible, to his full growth."

*John A. Kines*

# MESSAGE FROM THE EDITOR

Another year has come and gone. For many it is the last year of high school. But for others, still years of high school are left. To everyone high school holds its own special happiness and memories. We, the staff, hope that this year's Flinonian will keep alive the memories of high school days.

As editor of the 1963-64 Flinonian, I would like to thank my staff for being so co-operative and willing to work so diligently for the yearbook.

Good luck to next year's editor.

*Judy Wright*

# ... and Now to the UNIVERSITY

High School years have passed quickly. University days will soon be here. If you intend going to College next year, it's wise to get some of your books during the summer.

The Book Department is owned and operated by the University for the college students of Winnipeg. All textbooks are sold at the very lowest possible prices. Manitoba students are most fortunate in this regard, for The Book Department has as its constant aim — The Lowest Prices in Canada.

**NIXED**

The student council meeting  
of September 18 was opened by  
the new sticks, Cheryl Brenna  
and Dennis Hydamaka.

**YOUR PAPER,**

Once again another school  
year has sneaked up on us  
bringing with it several new  
changes

**PARTICIPATION**  
To the students of Hapnot and  
Hudson schools:

I am very happy to make a  
contribution to the Etcetera  
-- to get something back at  
the editors for all the "On-  
ions" they've awarded me ov-  
er the past few years.  
Speaking mostly to those  
students in Hudson who will  
be able to participate in  
student activiites with the  
High School for the first  
time, I would like to encour-  
age them to find out about  
the activities sponsor-  
ed by the school. These ac-  
tivities are at various  
mental stages, please  
feel free to express your  
opinion. We urge the entire  
body to continue  
support as you have  
done faithfully and so  
continue in the past

**THE EDITORS**

Bowling has swung into full schedule and the teams have  
been playing regularly for several weeks now. Here are the  
team standings:

Bonnie;  
 All the good times we had together while you were up here for the first time was so much fun. It was too bad you had to leave us, but I guess it was better for you to go back to having you around them as kids enjoy having you around them as Penny, Phil, Betty and I did when you were up here in Flor. Well doll, I only hope and wish you best of luck in the future. Love, your pal Fran! & Tom!
